

HISTORICAL MOTOR CYCLE CLUB QLD

Incorporated ABN 2390661191 From: **Sunshine Coast Area**

To Secretary HMCCQ

20 January 2018

Areas of HMCCQ
are located at:

Les Allen HMCCQ Life Membership Nomination.

- Member since 1994
- Sunshine Coast Dating Officer since 2005 continuous
- Sunshine Coast Treasurer for 3 years 2005, 2006 and 2007.

The Sunshine Coast Area would like to nominate Les Allen for Life Membership at the 2018 AGM.

Les has been a member of the HMCCQ since 1994. He has not only been a club member but a very active one. He has restored many bikes and attended many HMCCQ events all over Queensland. He is very well known and as a member is a perfect example of what our great club needs.

On the local scene of the Sunshine Coast Area, Les has been our dating officer since 2005. Les makes himself available to our members often at the expense of his own time so they can get their bikes on the road. As the Dating officer, Les is always helpful to new members who need to get their bike registered. He goes out of his way to help these members not only in the official role but to help with advice from his wealth of knowledge which he is willing to pass on if they need it.

Les has fulfilled the Treasurers role on the Sunshine Coast for 3 years 2005 to 2007.

Les has helped many of our members with advice, time and assistance in rebuilding, repairing bikes. One of the club objectives is to encourage proper restoration and preservation of club bikes. Only members both local and the wider HMCCQ would know they are indebted to him for his often hands - on assistance.

His attendance to monthly meeting is hard to beat. His input to the meetings is held in high regard by all members. Only recently it was he who suggested we hold a luncheon for members and their partners as a thank you for supporting the club and our activities.

Les is very active is the set up and running of the Maleny Swap. This year is the 25th Swap and Les is always there. The positioning of stalls and parking of the many vehicles is his forte. His expert knowledge and experience is invaluable.

Les is well known in the Veteran scene across the HMCCQ but also on a wider scale. He has attended many interstate rallies and is a true ambassador for the HMCCQ.

Les holds the esteemed title of the most consistent entrant to the Frost Bite Rally. He was recognised by the Warwick Area on their 25th Rally.

These days he still attends HMCCQ rallies mainly with his Veteran Rudge or BSA.
