

Management Committee News – March 2019

The HMCCQ Management Committee held its March meeting at the Holzigal residence, Forest Hill on 27 March 2019. The meeting was attended by Brian and Judith Holzigal, Geoff Tenbrink, Bailey Rowe and Bill Stephens. This was the final meeting for the 2018 committee.

Pinnacle Accounting Services has completed the Club Audit for 2018 for presentation and endorsement at the 2019 AGM. All of the required AGM reports and award submissions have been finalised for presentation. Toowoomba Area's loud speaker system has been borrowed for use at the AGM, and Childers Area has confirmed that all is in hand regarding the venue.

After discussions with members, it is anticipated that nominations will be accepted at the AGM for all elected positions except Secretary. Should no nominations be forthcoming for Secretary, the current Secretary has agreed to take on the role for another year. All Delegate positions on the Management Committee have been settled and the Club's Honorary Solicitor has agreed to be renominated for 2019.

The President reported that insufficient interest has been shown by members for HMCCQ to be featured as the major Club display at the Laverda Concours. The Concours organisers will be informed of this. HMCCQ members are still encouraged to assemble a display at the Concours.

22 new SIVS application forms were completed during March and included one car.

As at 27 March the Club had 1,157 financial members, including 17 new members who were proposed and accepted into the Club at the March Management Committee meeting.
